

Hanson, More Than Anything

I love you more than anything
than anything, I do
And I'd give anything and everything
I have just to be with you
These feelings I hold inside
Are emotions I can not hide
These feelings will not subside
I'd give anything, anything

When I look into your eyes
I see something special about you
And when I hold your hand
You seem to understand that
(repeat chorus)

When I think of life without you
It brings me right down to my knees
'Cause I can't imagine life without you
You're my strength the thing that keeps me holding on

Oh I'd do things that can't be done
I'd fly to the moon and then around the sun
If you just say that I'm the one
I'd do anything, well
(repeat chorus)

I'd give anything
You know I'd do anything for you
I love you more than anything
More than anything
