

Hanson, Need You Now

Big brown eyes watch me as i sleep
Long dark hair that washes over me
Like a ray of sunlight warms me as i wake
cause i need you now

But nothing ever goes the right way
Got to live life day by day
Hearts will bind you, there to remind you
of where you stay

Freckled nose nudge me as i sleep
A heart of gold holds me as i dream
Tucked away in silence, wake me when you come
cause i need you now

Nothing ever goes the right way
Got to live life day by day
Hearts will bind you, there to remind you
of where you stay
Hearts will bind you , there to remind you
of where you stay

I'll never see you home
Cause then I'd be alone
Each morning as i wake
The sun is always brighter when you stay

oh oh, said oh oh, oh oh , said oh oh
oh oh, said oh oh, oh oh, said oh oh
oh oh, said oh oh, said oh oh
said oh oh, oh oh, oh oh,
said oh oh...
