

Hanson, Never Let Go

never let go

Just lay down
And let your worries sleep
Don't think now
The water's dark and deep

Cos you know
That I'll love you and never let go
And you know
That I'll love you forever
I'll love you and never let go
Yes I'll love you and never let go

Just cry out
Yeah I've cried those tears before
I can feel it now
As your teardrops hit the floor

Cos you know
That I'll love you and never let go
And you know
That I'll love you forever
I'll love you and never let go
Yes I'll love you and never let go

You don't have to ask me do I love you
As I hold you this is how much I do
I'm yours until forever is through

Every time I stand before you
I know I'd lay my life down for you
I'll never let go

Put those ugly thoughts to bed
On my shoulder is your head

Cos you know
That I'll love you and never let go
And you know
That I'll love you forever
I'll love you and never let go
Yes I'll love you and never let go
