

Hanson, Pictures

I saw you just the other day
And I could not help but look your way
You see you've just got this special look
That's got me completely hooked

Pictures on the wall, pictures everywhere
Pictures on the wall, everywhere I stare
Pictures on the wall, the ceiling and the floor
I'm in a mental room and I cannot find the door

Will this feeling ever go away or will this feeling stay
Will this feeling ever go away
'Cause I can't live the rest of my life this way

I see your face in the clouds in the sky
I see your face before my eyes
I see your face everywhere and now I don't know what to do
