

Hanson, Save Me

Loving you like I never have before
I'm needing you to open up the door
If begging you might somehow turn the tides
Then tell me to I've got to get this off my mind

I never thought I'd be speaking these words
I never thought I'd need to say
Another day alone is more than I can take

chorus

Won't you save me 'cause saving is what I need
I just want to be by your side
Won't you save me I don't want to be
Just drifting through the sea of life

Won't you
Listen please baby don't walk out that door
I'm on my knees you're all I'm living for

I never thought I'd be speaking these words
Heaven thought I'd find a way
Another day alone is more than I can take

Won't you save me 'cause saving is what I need
I just want to be by your side
Won't you save me I don't want to be
Just drifting through the sea of life

Suddenly the sky is falling
Could it be it's too late for me
If I never said I'm sorry, then I'm wrong, yes I'm wrong
Then I hear my spirit calling
Wondering if she's longing for me
And then I know that I can't live without her

Won't you save me 'cause saving is what I need
I just want to be by your side
Won't you save me I don't want to be
Just drifting through this sea of life

Won't you save me
Won't you save me
Won't you save me
