

# Hanson, Sometimes

Sometimes I get wrapped up in what I want you to be  
I guess sometimes I forget just how much you mean to me  
Sometimes I get wrapped up in what I want us to be like  
Then I forget just how much I need you in this life

And I know it's not my place to judge  
Who you are or what you're gonna be  
I guess sometimes I forget  
Just how much you mean to me

Sha na na na na na na na na  
Na na na na na na na na na na  
Sha na na na na na na na na  
Na na na  
Sha na na na na na na na na  
Na na na na na na na na na na  
Sha na na na na na na na na  
Na na na oh wow

Sha na na na na na na na na  
Na na na na na na na na na na  
Sha na na na na na na na na  
Na na na

Sometimes I get wrapped up in always being right  
Then I forget I'm wrong most of the time  
Sometimes I miss your tender kiss  
And being the man to understand

I guess sometimes I just don't know  
How to say exactly how I feel inside  
I guess sometimes I just don't know  
How to say that I love you
