

Hanson, Strong Enough To Break (Acoustic Vers

(I. Hanson, T. Hanson, Z. Hanson, G.Wells)

Well I haven't been myself today
just to figure in a big monopoly game
Struggle is the price you pay
You get just enough just to give it away
We're sinking more, they're floating away
Just throw me a line so I can ache in my pain
The fabric is about to fray
The fabric is about to fray

Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately

Things keep coming and I keep wondering
And I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling strong enough to break
I start feeling strong enough to break

I've Been running through my mind today

scenarios to catch your hypocrisy
no one ever takes the blame
but everyone is searching for a cure to the pain
nothing ever seems to change
oh nothing ever seems to change
we just play broken records in a deaf man's charade

Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately

Things keep coming and I keep wondering
And I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling strong enough to break
I start feeling strong enough to break
I start feeling strong enough...

Oh yeah
Strong enough to break
Strong enough to break
