

Hanson, Sure About It

Whoa
I'm definitely sure that I'm not sure
Whoa

Sitting' on the corner of nowhere road
Just between I wish I could and I don't know
Rain is splashing up between her toes
She doesn't know her own area code
She's the picture of a heart of gold
On the edge of depression unknown
And a picture of the wrong I wrote
Now it's too late for a fight or fold
Now she's looking at me to know
The faucet's running and my car got towed

chorus
I'm sure about it
I'm definitely sure that I do surely doubt it
I wish that I could say that I was sure about it
But I'm definitely sure that I'm not sure
Whoa

Did you see the man
With the cocaine load
It's on sale for the price of your soul
And a man with a long trench coat
Wish I could hide in a big black hole
Sell all your pain, ten fold
And you're crawling down a long, wrong road
Fitted for a box they mold
All you're mixing is a heart they stole
Now they're looking at me to know
My heart is pumping and my feet got cold

I'm sure about it
I'm definitely sure that I do surely doubt it
I wish that I could say that I was sure about it
But I'm definitely sure that I'm not sure
Yeah
I'm definitely sure that I'm not
Yeah
Sure
I'm sure that I'm not
Sure
You know, oh yeah
Oh yeah
Oh yeah

Sitting on the corner of nowhere road
Just between I wish I could and I don't know
There's a man with a long trench coat
Wish I could hide in a big black hole
Now they're looking at me to know
My heart is pumping and my feet got cold

I'm sure about it
I'm definitely sure that I do surely doubt it
I wish that I could say that I was sure about it
But I'm definitely sure that I'm not sure
Yeah
I'm definitely sure that I'm not sure about it
I'm definitely sure that I do surely doubt it
I wish that I could say that I was sure about it
I'm definitely sure that I'm not sure about it

Yeah
I'm definitely sure that I'm not sure
That I'm not
Yeah
You know, oh yeah
I'm definitely sure that I'm not sure
