

# Happy Hardcore, The Way I Feel

Give me a reason for your love  
Something inside is so unreal  
I am a prisoner in your world  
Nothing can change the way I feel  
(x2)

Nothing can change the way I feel  
Nothing can change the way I feel  
The way I feel

Give me a reason for your love  
Something inside is so unreal  
I am a prisoner in your world  
Nothing can change the way I feel  
(x2)

Give me a reason for your love (x2)

Give me a reason for your love (x3)

Give me a reason for your love  
Something inside is so unreal  
I am a prisoner in your world  
Nothing can change the way I feel  
(x2)

Nothing can change the way I feel  
Nothing can change the way I feel  
The way I feel
