Hold it here boy is that your bag

In a small sneak and you've just been had

Is that your scene bin, been what have I seen

We'll take a seat, feet, get your feet a seat

Put circle round this this and a circle round that

You put one in the front, and one in the back

Would you show it to your mother or share it with another

Slow down bitch

Oh bitch slow down

I'm so good, I'm so good, I'm so good, man i've been so good

I'm so nice, I'm so nice, I'm so nice, man i'm so nice

You don't look first class you

I smell dope, I smell dope, I smell dope, I am smelling dope
