

Happy Monster Band, A Wonderful Time In France

Fredd:

Just along the river Seine
The city of lights they say
In English, it's called Paris, France
But Paris en Français

L.O.:

It's known for art and culture
As well as fine cuisine
The Palace Of Versailles' nearby
Which housed the king and queen

(Chorus)

All:

Looking from the Eiffel Tower
With the power to see across the land
We spot the Arc de Triomphe, eat croissants
Oh, what a wonderful time in France

Bluez:

Bonjour to Mona Lisa
In French, it means hello
She lives in the Louvre Museum
But she doesn't live alone
With many other paintings
And visits every day
It's quite a common spectacle
For tourists on their way

(Chorus)

All:

Looking from the Eiffel Tower
With the power to see across the land
We spot the Arc de Triomphe, eat croissants
Oh, what a wonderful time in France

Bluez:

I'll have fresh fruits and berries
At snack time with a crêpe
It's kinda like a pancake
In a folded over shape

Fredd:

Bon-bons are quite tasty
As are pastry puffs

Bluez:

Need bread for that sandwich?

Fredd:

This baguette should be enough

(Chorus)

All:

Looking from the Eiffel Tower
With the power to see across the land
We spot the Arc de Triomphe, eat croissants
Oh, what a wonderful time in France
