

Happy Monster Band, Even Monsters Cry Sometimes

Fred:

I like to skateboard all day long
I ride without a fear
But if I fall and scrape my knee
I just might shed a tear.

(Chorus)

All:

We're red, yellow, pink and blue
Deep inside we're just like you
We're tough enough to eat slime
but even monsters cry sometimes

Fred:

In school, I rule the mudbox
I'm the scariest grossest slob
But when I really miss my dad
I can't help but sob

(Chorus)

All:

We're red, yellow, pink and blue
Deep inside we're just like you
We're tough enough to eat slime
but even monsters cry sometimes

Fred:

Monsters cry
Monsters cry

Bluez:

Louder

All:

Monsters cry
Monsters cry

Ink:

One more time

All:

Monsters cry
Monsters cry
