

Happy Prince, Don't let go

you say you're caught in a crossfire
hold your ground
we may be late but we still trying
to win the fight

And not a thing will pass me by this time
but don't let me go to fall to the ground

Don't Let Go now
Don't Let Go

just one day at a time,
maybe promised land will arrive
we're still in time for love to make it
and leave it all behind

And not a thing will pass me by this time
but don't let me go to fall to the ground

Don't Let Go now
Don't Let Go
Don't Let Go now
Don't Let Go

it's time I opened my eyes to see
it doesn't get better than this

Don't Let Go now
Don't Let Go
Don't Let Go now
Don't Let Go
Don't Let Go now
Don't Let Go
Don't Let Go now
Don't Let Go
Just now!
