

# Happyendless, Powerforever

It's a girl's being fun  
Wanna play  
And I know I can do it

It's a moment of collapse  
And you know I'm going to fall  
Well, help me

Wanna have a little fun  
Just a last cup of coffee  
And I'm going

Wanna take me for a ride  
Now I have a little chance  
Now I'm screaming

In Pheonix  
I was working on my feelings  
You disturbed and then  
I mean it  
World is changing

In Pheonix  
I was working on your feelings  
You were working on my feelings  
World is changing

Ooh yeah yeah  
I'm all right  
I keep power forever, mama  
Keep power forever

Ooh yeah yeah  
I'm all right  
Things will get better, mama  
I promise you no big drama!

Ooh yeah yeah  
I'm all right  
But don't forget about it

Ooh yeah yeah  
I'm all right  
I know we all want it
