

Harbourlight, Believe It

People try to tell me that He's a lie
I tell them He's alive
I know His life in me
Nobody gonna take it
They say look at all the pain and sorrow
I tell them Jesus knows
He's gonna take us home
I believe it, do you believe it?

He is love, He is life, He is truth
And I believe it, do you believe it?
He is faithful, He is good, He is King
And I believe it, we believe it

We're all looking for love unending
And we're all gonna come back empty
If we don't go looking in Him
He is the fountain

And in Him you'll find an ocean
Of endless love in motion
Come taste and see
Come believe it
I believe it, we believe it
Do you believe it?

We believe in God the Father
Almighty maker of heaven and earth (of heaven and earth)
We believe in God the Father
Almighty Maker
