

# Hard-Fi, Gotta reason

Hung around here long enough  
Seen the smooth, but only caught the rough  
I've got no reason  
Oh no, i got no reason.  
Disco on the radio  
I ain't got no place to go  
I got no reason  
Oh no I got no reason  
But wait  
See the new girl in town  
Maybe I can show you round  
Baby let's generate some heat  
I gotta reason  
Oh now I've gotta reason  
Hey hey baby you knock me out  
Make me want to scream and shout  
I've gotta reason  
You can make it all worth while  
I like your face girl, i like your style  
You've gotta reason  
Oh now I gotta reason  
Yeah you look so good  
I want to eat you up like food  
Baby lets generate some heat  
I've gotta reason  
Oh now I've gotta reason.  
Got to get my head just right  
Gonna make my move tonight  
I've gotta reason  
Oh I've gotta reason  
Gotta reason  
Gotta reason  
Gotta reason...
