

# Hardline, Your Eyes

Don't walk away  
I didn't mean to put you through it  
It's just my way  
The only way that I can say it  
Never again  
Will I ever turn to stone  
Sometimes words are better left alone  
Look what you started  
Never again

[Refrain:]  
Your eyes  
I'm looking through it all with your eyes  
Your eyes  
I'm looking at the world with your eyes

If I could take  
And make it all just start again  
Just my way  
The only way that I could make it  
Never again  
Will I ever leave you alone  
Sometimes words are better when they're known  
Look what you started  
Never again

[Refrain]
