

# Hardwell, Mad World (feat. Jake Reese)

Sometimes it feels like my life's a battle  
And I think I'm losing my mind  
When all that surrounds me is made of shadows  
If I'm just a lost soul that's made of paper  
But your touch can color the white  
And bring back the beauty into my life  
'Cause it's a mad world but it's crazy  
Crazy how you make the bad turn to amazing  
And I don't want to lose this now  
I don't want to lose this now  
No, I don't want to lose this now  
'Cause it's a mad world  
Were both strangers finding our way together  
Like two lights that dance through the dark  
We shine bright and fade out into forever  
When I'm trying to hold back the way I'm feeling  
But you make me come back to life  
Yeah, you've got me going insane tonight  
'Cause it's a mad world but it's crazy  
Crazy how you make the bad turn to amazing  
And I don't want to lose this now  
I don't want to lose this now  
No, I don't want to lose this now 'Cause it's a mad world
