

# Harem Scarem, Jealousy (Acoustic)

(Hess/Lesperance)

How could you be so cruel  
Is how the conversation starts  
You say I'm breaking all the rules  
Not to mention your heart  
You say I promised you my love  
Well, I got no reason to lie  
Cause I foresee a change  
And there's no mistake  
If you wanna know the reason why  
(Chorus) It's your jealousy  
And I don't understand it at all  
You've redefined jealousy  
And wear it out on your sleeve not your heart  
Now, I've got nothing left to say  
You know I don't want no part  
Of a mind that's so twisted  
And views a million miles apart  
You say I promised you my love  
Should I give it one more try  
I still foresee a change  
There's no mistake  
If you wanna know the reason why  
(Chorus)
