

# Harem Scarem, Turn Around

I should apologize  
For my new compromise  
A temporary disease

Another dumb mistake  
To think that you would change  
Now I'm admitting defeat

Well I knew what this would mean  
But still I let myself get back into it  
It's time to turn around

If your not careful  
She'll rip your heart out  
And shove it in your mouth

Now I took all the blame  
Off my little brain  
And said 'the devil made me'  
Put the turpentine  
In her carafe of wine  
And I got a reprieve
