

# Harlan Howard, Call Me Up (And I'll Come Calling

When you're all alone and blue and you don't know what to do  
Call me up and I'll come calling on you  
When you're all alone at home and no one calls you on the phone  
Call me up and I'll come calling on you  
When there's teardrops big and round in your eyes so big and brown  
And your little old heart is about to break in two  
Well I know you know we know that they know I'm in love with you  
Call me up and I'll come calling on you  
( steel )  
When the world seems out of place and it tumbles in your face  
Call me up and I'll come calling on you  
When your love affair goes wrong come on back where you belong  
Call me up and I'll come calling on you
