

Harlan Howard, Call Me Up (And I'll Come Calling

When you're all alone and blue and you don't know what to do
Call me up and I'll come calling on you
When you're all alone at home and no one calls you on the phone
Call me up and I'll come calling on you
When there's teardrops big and round in your eyes so big and brown
And your little old heart is about to break in two
Well I know you know we know that they know I'm in love with you
Call me up and I'll come calling on you
(steel)
When the world seems out of place and it tumbles in your face
Call me up and I'll come calling on you
When your love affair goes wrong come on back where you belong
Call me up and I'll come calling on you
