

Harlan Howard, I Don't Believe I'll Fall In Love To

I don't believe I'll fall in love today for if I did I know I couldn't stay
You'd come between us like you always do
Somehow she'd never measure up to you
Each night I pray I'll wake at dawn and find another in my heart and on my mind
And I'll wake and hear my poor heart say I don't believe I'll fall in love today
[guitar - steel]
I don't believe I'll fall in love today old memories of you stand in your way
And I just can't make my heart find someone new
It's always much too busy missing you
Now each night I pray...
