OUT OF A HONKY TONK

(Harlan Howard)

RECORDED BY CHARLIE WALKER

Out of a honky tonk came the girl I love

Out of a honky tonk one lonely night

All my friends were wrong when they said that love

Born in a honky tonk could never be right

Out of a honky tonk walked an angel that's how she's been to me

Anything I say anything I do is what she wants and where she wants to be

Out of a honky tonk came my happiness out of a honky tonk walked this girl

And she gives me love like I never knew out of a honky tonk came my whole world

Out of a honky tonk walked an angel...
