

Harmful, A Good Day To Die

Whenever you start I will always follow you Dont ask me why
I cant help myself Im still overrated with my pills, I cant move all day long just to keep you informed
Im staring at the dark, wrinkled half - moons beneath my eyes...
Let me move on and touch the sky... so cut the endless line
When she took my head in her arms and kissed my hair so softly I was staring at the skin of her ha
Nothing really matters...
I cant help myself Im still overrated with my pills, I cant move all day long just to keep you informed
Im staring at the dark, wrinkled half - moons beneath my eyes...
Let me move on and touch the sky... so cut the endless line
