

Harmful, LummoX

A statement that someone is not brave... brave enough to do something

A statement that someone is going to hate... hate for some reason like you?

You sit, I stay, you listen and I say I wanna fight, I will fight I promise...

fight for some reason like you?

I know - I'm awkward I feel it - I'm ungraceful but I trust in you - you're vile!

I'm a so called lummoX
