Pious... Opaque... Not true! Nothing is real Nothing is true Nothing is clear Nothing to fear  
Think Confuse Not shure... They split my brain... Damn Believe me... Nothing is true!  
Is it a rope? Or is it a moat? Is it a cope? Or is it a poke?  
Beware... Take care Deny... At once... They split my brain... Damn... Believe me... Nothing is true!  
Think Confuse Not shure... Beware Take care... Deny... At once!
