Harmful, Opinion

Sit down... try to keep on the path with me It wont take long to stop You pass by, no supply... your obstructive reasons Dont treat me like a problem Do you really want me to... are you really able to commit on more than one opinion Sit down... try to keep on the path with me It wont take long to stop You pass by, no supply... your obstructive reasons Dont treat me like a problem Do you really want me to... are you really able to commit on more than one opinion
