

# Harmful, Peaceful Life

Give me an answer Im ready to blame Whatever you say its all the same You want to relax, i want  
We want a peaceful life thats all...  
Do what you please its in your heart Its just the way I guess you are Cant you see Im giving my eve  
We went much too far... I wonder if youll be gone  
Look what youve done No, I aint gonna let it get under my skin  
Its true, I will deny you... am I supposed to find.....  
We were waiting for much too long Youre squeezing my heart, Im drowning your soul Nothing but r  
We want a peaceful life thats all...  
Look what youve done No, I aint gonna let it get under my skin  
Its true, I will deny you... am I supposed to find.....
