

Harmful, Tragedy

Fiction of mans tragedy is killing brothers Family with unexpected combination: violence, pain and
Murder in the first degree, united fatal policy with dead and gone identities You rotten people rest in
Can not fade away Do not talk today and leave me alone I cant stand you anymore
Tragedy tears all apart Its fact that youre condemned at last
So take no walk on this direction: violence, pain and self rejection
Murder in the first degree, united fatal policy with dead and gone identities Hey, f*** you, asshole, r
Can not fade away Do not talk today and leave me alone I cant stand you anymore
Keep your mind out of my line!
