

Harmful, Well-Mended

Is it so hard to keep up A steady pull on the opposite Give me your well-mended break
I agree to have What is needed something more Give me your well-mended break
This square is circumscribed... by your vanished road that delivers me
Im sick of unreturned love... but im still holdinon
Couldnt save my heart enough Its turned out fine again Everything concurs to produce the desired
Its turned out fine again
This square is circumscribed... by your vanished road that delivers me
Im sick of unreturned love... but im still holdinon
