

# Harmony, I Don't Need You Anymore

I don't need you anymore  
You left me feeling sore  
But now that's no more  
How I loved you with all my heart  
Until we had to part  
Oh how you broke my heart  
Now I don't need you anymore  
You left me feeling sore  
But now that's no more  
I used to wish that you would stay  
Even just for another day  
Now I'm glad you didn't stay  
Cause I don't need you anymore  
You left me feeling sore  
But now that's no more  
I have gotten over you  
Now I can say that's true  
I no longer love you  
And I don't need you anymore  
You left me feeling sore  
But now that's no more  
Yeah I don't need you anymore  
You left me feeling sore  
But now that's no more  
No now that's no more
