

Harmony, Why Me

Nobody likes me
They're all against me
Oh why
What have I done
To make them hate me
Oh why
I was always the one
To love and help the ones
Who'd done me wrong
And all I can say is
Why is this happening
To me why me
Because I was the one
Who'd let it all slide by
I never stood up to them
And now I'm the one to cry
I used to be happy
But not anymore
Oh why
I never did anything
To hurt anybody
Oh why
I never condemned
Or hated the ones
Who'd done me wrong
I think to myself
Why is this happening
To me why me
Because I was the one
Who'd let it all slide by
I never stood up to them
And now I'm the one to cry
