

# Harmony, Why Me

Nobody likes me  
They're all against me  
Oh why  
What have I done  
To make them hate me  
Oh why  
I was always the one  
To love and help the ones  
Who'd done me wrong  
And all I can say is  
Why is this happening  
To me why me  
Because I was the one  
Who'd let it all slide by  
I never stood up to them  
And now I'm the one to cry  
I used to be happy  
But not anymore  
Oh why  
I never did anything  
To hurt anybody  
Oh why  
I never condemned  
Or hated the ones  
Who'd done me wrong  
I think to myself  
Why is this happening  
To me why me  
Because I was the one  
Who'd let it all slide by  
I never stood up to them  
And now I'm the one to cry
