

# Harpers Bizarre, Done Laid Around

Done Laid Around and Played Around This Old Town Too Long  
Summer&#039;s Almost Gone and Winter&#039;s Coming On  
Done Laid Around and Stayed Around This Old Town Too Long  
And I Feel Like I Want to Travel On

The Chilly Wind Will Soon Begin and I&#039;ll Be On My Way  
Gone a Lonesome Day, Gone a Lonesome Day  
The Chilly Wind Will Soon Begin and I&#039;ll Be On My Way  
And I Feel Like I Want to Travel On
