

Harry Chapin, Stop Singing These Sad Songs

Stop singing these sad songs
Just tell me 'bout the good times
I have heard that cold hard truth so many time before
Stop singing these sad songs
Just tell me 'bout the good times, baby
'Cause I don't want to hear them old heart breaking sad songs anymore

Ah, don't you listen to my lyrics
'Cause they don't make much sense
And if they rhyme every other line
It's only coincidence

Stop singing these sad songs
Just tell me 'bout the good times
I have heard that cold hard truth so many time before
Stop singing these sad songs
Just tell me 'bout the good times, baby
'Cause I don't want to hear them old heart breaking sad songs anymore

I'll help you with your burden, babe
I'll help you lug your load, lady
I'll skip up a smile each and every mile
As you're skipping down the road

Stop singing these sad songs
Just tell me 'bout the good times
I have heard that cold hard truth so many time before
Stop singing these sad songs
Just tell me 'bout the good times, baby
'Cause I don't want to hear them old heart breaking sad songs anymore
Well, hold it now and feel it
I don't want to hear them old heart breaking sad songs anymore
Now baby, I don't want to them sad songs any,
One more time for time for the kids in the hospital,
I don't want to hear these sad songs anymore
