

# Harry Connick Jr., We Are In Love

I know you so well  
I can tell by the sound of your voice  
If you're really in love with me  
And you are  
And you are

You know I can't lie  
If I say to you 'baby, I love you'  
Then baby, I love you  
Oh, and I do  
Yes, I do

I do... could it be that's the  
Phrase you thought never would phase you  
Well baby, you better hold on tight  
'Cause I'm the one who's supposed to  
Kneel down and propose, well alright  
Ooo, well I might, I might

So, when I kiss you good-night  
Just sleep tight with the thought that you'll  
Always be caught up in love with me  
And you'll dream that the stars up above  
Have the answer of whether we'll be  
Or whether we won't be  
In love...  
Well, we are,  
Yes, we are

I do... could it be that's the  
Phrase you thought never would phase you  
Well baby, Oh, you better hold on tight  
'Cause I'm the one who's supposed to  
Kneel down and propose, well alright  
Oh Oh, well I might, I might

So, when I kiss you good-night  
Just sleep tight with the thought that you'll  
Always be caught up in love with me  
And you'll dream that the stars up above  
Have the answer of whether we'll be  
Or whether we won't be  
In love...  
Well, we are,  
Yes, we are  
Oh, we are,  
Girl we are  
Indubitably we are
