

Harry James, Oh But I Do

Oh, But I Do!

Harry James

Music and Lyrics by Arthur Schwartz and Leo Robin

You think I dont love you,

Oh, but I do!

How can I show that I do?

You think I dont get blue,

Oh, but I do!

Though I get light hearted too.

First Im singing then Im sighing

Then Im flying high above.

You think I dont know why,

Oh, but I do!

I know that its you I love.
