

Harry Styles, Carolina

She's got a family in Carolina
So far away
But she's says
I remind her of home
Feeling so far from home

She never saw herself as a west coaster
Moved all the way cause
Her grandma told her:
Better swim before you drown

She's a good girl
She's such good girl
Yes, she's a good girl
She feels so good

She's got a book for every situation
Get into parties without invitations
How could you ever turn her down?

I've had a dream that I think I've seen her
How would I tell her that she's a; I think about?
Well, I guess she just found out

She's a good girl
She's such good girl
Yes, she's a good girl
She feels so good

I met her once and wrote a song about her
I wanna scream
I wanna shout it out
And I hope she hears me now

She's a good girl
She's such good girl
Yes, she's a good girl
She feels so good
