

Harry Styles, Watermelon Sugar

tastes like strawberries
on a summer evening
and it sounds just like a song
I want more berries
and that summer feeling
it's so wonderful and warm
breathe me in
breathe me out
I don't know it I could ever go without
I'm just thinking out loud
I don't know if I could ever go without

watermelon sugar high
watermelon sugar high
watermelon sugar high
watermelon sugar high
watermelon sugar

strawberries
on a summer evening
baby, you're the end of June
I want your belly
and that summer feeling
getting washed away in you
breathe me in
breathe me out
I don't know if I could ever go without

watermelon sugar high
watermelon sugar high
watermelon sugar high
watermelon sugar high
watermelon sugar

I just wanna taste it
I just wanna taste it
watermelon sugar high

taste like strawberries
on a summer evening
and it sounds just like a song
I want your belly
and that summer feeling
I don't know if I could ever go without

I just wanna taste it
I just wanna taste it
watermelon sugar high
I just wanna taste it
I just wanna taste it
