

Harvey Danger, Elvis, I Don't Love You Anymore

I followed you as far as Spike
But there were some I didn't like at all, I said I liked at all.
Goodbye Cruel World it almost blew
and half of Trust to name a few
The twilight of your effort
but i couldn't see how true your aim was.

Elvis I don't love you
Elvis I don't love you
Elvis I don't love you anymore.

Bought every single reissue
Read each appalling interview
In which you talked like rock was just some silly phase that you went through
But even when your heart got set on Bacharach and string quartets
My ringing ears drew closer to parse the pose from the composer.

Elvis I don't love you
Elvis I don't love you
Elvis I don't love you anymore.

I felt your pain, it didn't hurt
Tastes like cold revenge, maybe just desserts
You'll never know how much you meant to me
I think I speak for all of us when now I say 'You've gotta go'
And if you must, you must, you must!

We all enjoyed your Brutal Youth
We like it back, to tell the truth!
We grew apart we both know how
I hope that you're happy now!

Elvis I don't love you
Elvis I don't love you
Elvis I don't love you anymore.
Elvis I don't love you
Elvis I don't love you
Elvis I don't love you anymore.

Oh I just don't know where to begin...
