

Harvey Danger, Spinning In My Grave

I have a stinger
I am a Honey Bee
I am a razor
Please cut your wrists with me
Your super common
You flaunt your pedigree
Your clear as water

I'm already spinning in my grave
I'm already spinning in my grave

I am the subject of your documentary
You have a question?
I am the third degree
I am authentic
I'm authenticity
I'm no such thing

I'm already spinning in my grave
I'm already spinning in my grave

I'm already spinning in my grave
I'm already spitting on your grave

I'm already spinning in my grave
I'm already spinning in my grave
