

# Hatebreed, Bloody Kisses

Not long ago but far away

□ A rainy winter's day

□ All her pain she kept inside

□ Could no longer hide

□ No cry for help

□ She killed herself

□ Both life & love could not be saved

□ She took them both to the grave

□ A pair of souls become undone

□ Where were two now one

□ Divided by this wall of death

□ I soon will join you yet

□ With my blood I'll find your love

□ You found the strength to end your life

□ As you did so shall I

□ Oh no

□ Please don't go

□ It's like a death in the family

□ A crimson pool so warm & deep

□ Lulls me to an endless sleep

□ Your hand in mine - I will be brave

□ Take me from this earth

□ An endless night - this, the end of life

□ From the dark I feel your lips

□ And I taste your bloody kiss

□ Oh no

□ Please don't go

□ It's like a death in the family

□ Don't die on me

□ Don't die on me

□ Don't die on me

□ Don't die
