

# Hatebreed, I Will Be Heard

Now is the time for me to rise to my feet  
Wipe your spit from my face  
Wipe these tears from my eyes  
Now is the time for me to rise to my feet  
Wipe your spit from my face  
Wipe these tears from my eyes  
I've got to take my life back  
One chance to make it right  
I've gotta have my voice be heard  
And bring meaning to this life  
Cause I trusted for nothing  
I've been led astray  
I've been tried and tested  
But i won't accept defeat  
Now I've done things I regret  
And it's time to reverse the rolls  
I just want to make good on  
all the promise that I have made  
I will be  
I will be  
I will be heard  
I will be  
I will be heard  
Now is the time for me to rise to my feet  
Wipe your spit from my face  
Wipe these tears from my eyes  
Through the worst we prevail.  
So our voices will be heard x4  
Now is the time for me to rise to my feet  
Wipe your spit from my face  
Wipe these tears from my eyes  
Now is the time for me to rise to my feet  
Wipe your spit from my face  
Wipe these tears from my eyes  
I've got to take my life back  
One chance to make it right  
I've gotta have my voice be heard  
And bring meaning to this life  
Cause I trusted for nothing  
I've been led astray  
I've been tried and tested  
But i won't accept defeat  
Now I've done things I regret  
And it's time to reverse the rolls  
I just want to make good on  
all the promise that I have made  
I will be  
I will be  
I will be heard  
I will be  
I will be heard  
Now is the time for me to rise to my feet  
Wipe your spit from my face  
Wipe these tears from my eyes  
I will be heard  
I will be
