

# Hatesphere, Only The Strongest...

Fear is my tool  
To keep you down  
Hate is the way  
To hold my crown  
Reign of horror  
I am on the top of the world  
Trust me on this one  
It all will die  
Death is my business  
Death make me what I am  
I am locked and loaded  
And I am ready to kill  
[Lead: P. Lyse Hansen]  
Reign of horror  
I am on the top of the world  
From my domain  
I watch it all go by  
Across the blood red sky
