

# Hawkwind, Bring It On Home

Well, I bought my ticket  
And I got my load  
And the conductor yelled  
Now all aboard  
Well, I take my seat  
And I sit right back  
And I watch  
That train go down the tracks

I said, &quot;Baby&quot;  
I said, &quot;Baby  
Gonna Bring It on Home Now  
Gonna Bring It on Home Now  
Gonna Bring It on Home Now
