

# Hawkwind, Narration 2

Some said he was a sorcerer  
Or a warrior chief  
But he was the stealer of souls  
The Lord of Chaos reaps

And he's frozen in a time trap  
Slowly losing power  
And he's frightened if he makes a move  
The dream will soon turn sour  
Seeking Stormbringer, the Stealer of Souls  
Stormbringer, the Stealer of Souls
