

# Hawkwind, Needle Gun

(Brock)

So you're alive, I thought you was done  
I'm gonna bring you down with my needle gun  
Feel my pin prick tattoo your spine  
Give it a minute, your life's entwined  
With mine  
Hear my laughter  
In your head  
It's a pity it's a shame  
Nothing's been said  
It's a vaccination joy  
With the ultimate death toy  
It's gonna make you run  
Needle, needle gun
