Hawkwind, Solitary Mind Games

Unbelieving
Non-receiving
Mind is in a Void
Unforgiven
Bodydriven
Striving to avoid
Anger glowing
Can't help knowing
Hiding from the pain
Everlasting
Grains of Truth are
Gnawing at his brain

Now he wonders Fears but wonders Where it all will end

Never certain Far from certain Can the future mend?

Conscience torn out Doesn't know how He will ever find

Peace of mind Warlike visions Torment all his kind
