

# Hawnay Troof, On deaf ears we ride tonight

Wonder how you've been?  
Do all of my pictures still  
Hang above your bed?  
Remember when,  
Under the overhead  
You smoked your brand  
And I stayed quiet  
As the ashes burnt my hand?  
Take this  
For what it's worth;  
Every part of you  
Is part of me -  
It parted us.  
On deaf ears  
We'll ride tonight,  
Past the corner store  
And through the red lights.  
And when it's time  
To say goodbye  
Will you tell me sweetheart,  
When I lose my mind?  
Take this  
For what it's worth;  
Every part of you  
Is part of me -  
It parted us.  
Guess I lost the battle for  
Gracious green eyes have  
Turned blood red  
And they're staring me dead.  
Guess I lost the battle for  
Gracious green eyes have  
Turned blood red  
And they're staring me dead.  
Me dead.  
I followed you  
Across the beach,  
You let the water  
Touch your feet  
And this is how  
It's supposed to be -  
The two of us  
Die at sea.  
Take this  
For what it's worth;  
Every part of you  
Is part of me -  
It parted us.  
Guess I lost the battle for  
Gracious green eyes have  
Turned blood red  
And they're staring me dead.
